I have audited the accompanying statement of financial condition of Quincy Cass Associates, Incorporated as of November 30, 2018, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Quincy Cass Associates, Incorporated as of November 30, 2018, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Quincy Cass Associates, Incorporated's management. My responsibility is to express an opinion on Quincy Cass Associates, Incorporated's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Quincy Cass Associates, Incorporated in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Notes to Consolidated Financial Statements November 30, 2018

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Quincy Cass Associates, Incorporated (the "Company") conducts business processing broker-dealer transactions on a fully disclosed basis, investment management of customers' accounts, and operational management of various real estate projects, typically mobile home parks.

Summary of significant accounting policies

The presentation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

The Company considers highly liquid investments purchased with a maturity of three months or less to be cash equivalents. The company includes money market accounts as cash equivalents.

Fixed assets are recorded at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized. Fixed assets are depreciated by the straight-line method over their estimated useful lives which range from five to seven years.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Notes to Consolidated Financial Statements November 30, 2018

Note 1: <u>GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u> (Continued)

Level 3 inputs are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data).

There are no levels to measure at November 30, 2018.

Consolidation and Revenue Recognition

The consolidated financial statements include the results of operations, account balances and cash flows of the Company and its wholly-owned subsidiaries, QCA Management Company, Inc. and QCA Capital Management, Inc. All material inter-company balances have been eliminated. Securities transactions are recorded on a trade date basis with the related commission revenues and expenses also recorded on a trade date basis.

Income Taxes

The Company files a consolidated tax return with its subsidiaries on an accrual basis. Income taxes are calculated for the Company as a stand-alone entity. The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes, when material. Under that guidance the Company assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each tax year. The measurement of unrecognized tax benefits is adjusted when new information becomes available.

The Company is subject to audit by the taxing agencies for years ending November 30, 2015, 2016 and 2017.

The Company has California net operating losses of approximately \$10,000. These net operating losses will expire on November 30, 2029.

Notes to Consolidated Financial Statements November 30, 2018

Note 2: DEPOSITS WITH CLEARING ORGANIZATIONS

The Company has entered into a clearing agreement with National Financial Services, who carries the accounts of the customers of the Company. The Company has deposited \$50,000 with its clearing firm as security for its transactions with them. The balance at November 30, 2018 was \$50,000.

Note 3: EQUIPMENT, NET

Fixed Assets as of November 30, 2018 consist of the following:

Fixed Assets	\$ 106,241
Less accumulated depreciation	(56,714)
•	\$ 49,527

Total Income Tax Expense	\$ 12,665

Note 5: COMMITMENTS AND CONTINGENCIES

The Company has an operating lease covering its Los Angeles office through July 31, 2021. Minimum future rental commitments are:

Year Ending	<u>Amount</u>
November 30, 2019	187,976
November 30, 2020	196,380

•	\$ 519,132

Rent expense for the year ended November 30, 2018 was \$178,682.

Notes to Consolidated Financial Statements November 30, 2018

Note 6: CONCENTRATION OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker/dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends upon the creditworthiness of the counterparty or issuer of the instrument. To mitigate the risk of loss, the Company maintains its accounts with credit worthy customers and counterparties.

Note 7: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Net capital and aggregate indebtedness change day to day, but on November 30, 2018 the Company had net capital of \$620,845, which was \$520,845 in excess of its required net capital of \$100,000, and the Company's ratio of aggregate indebtedness of \$150,744 to net capital was 0.24 to 1, which is less than the 15 to 1 maximum ratio required of a broker/dealer.

Note 8: RETIREMENT PLAN

The Company sponsors a Simple IRA Plan covering certain employees. Contributions to the plan are made by both the Company and the employees. For the fiscal year ended November 30, 2018, the Company's expense was \$10,206.

Note 9: SUBSEQUENT EVENTS

The management has reviewed the results of operations for the period of time from its year end of November 30, 2018 through January 8, 2019, the date the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

Assertions Regarding Exemption Provisions

We, as members of management of Quincy Cass Associates, Incorporated ("the Company"), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or dealer to file annual reports with the Securities Exchange Commission (SEC) and the broker or dealer's designated examining authority (DEA). One of the reports to be included in the annual filing is an exemption report prepared by an independent public accountant based upon a review of assertions provided by the broker or dealer. Pursuant to that requirement, the management of the Company hereby makes the following assertions:

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors Quincy Cass Associates, Incorporated Los Angeles, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Quincy Cass Associates, Incorporated, identified the following provisions of 17 C.F.R. §15c3-3(k) under which Quincy Cass Associates, Incorporated claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (ii) (the "exemption provision") and (2) Quincy Cass Associates, Incorporated, stated that Quincy Cass Associates, Incorporated, met the identified exemption provision throughout the most recent fiscal year without exception. Quincy Cass Associates, Incorporated's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Quincy Cass Associates, Incorporated's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, I have performed the procedures enumerated below, which were agreed to by Quincy Cass Associates, Incorporated and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Quincy Cass Associates, Incorporated the ("Company") for the year ended November 30, 2018, solely to assist you and SIPC in evaluating Quincy Cass Associates, Incorporated's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
- Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended November 30, 2018, with the Total Revenue amounts reported in Form SIPC-7 for the year ended November 30, 2018 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
- 4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
